PCI Security Standards Council Bulletin: P2PE v3.2 Report on Validation (P-ROV) Templates Now Available

17 July 2025

The PCI Security Standards Council has published the updated P2PE v3.2 Report on Validation (P-ROV) templates for use with the recently published P2PE v3.2 Standard. The documents include:

- Application P-ROV Template v3.2
- Decryption Management Services P-ROV Template v3.2
- Encryption Management Services P-ROV Template v3.2
- Key Management Services P-ROV Template v3.2
- Merchant-Managed Solution P-ROV Template v3.2
- Solution P-ROV Template v3.2

As a reminder, the v3.1 P-ROVs cannot be used for P2PE v3.2 assessments. Refer to the P2PE Technical FAQs in the PCI SSC Document Library (Tech FAQ: General, Q15) for additional information.

The updated P2PE v3.2 P-ROV templates can be found in the [Document Library](#).
